Germaine Greer - Paperback Germaine Greer is an Australian academic and journalist who is regarded as the major voice of Australian feminism. Her book, *The Female Eunuch*, released in 1970, is a seminal work in the history of feminism. The book is a collection of essays that explore the role of women in society and the challenges they face. It is a landmark work that has inspired generations of feminists and has become a classic of the genre. The book is a must-read for anyone interested in the history of feminism and the role of women in society. It is a book that is both funny, ferocious, and frustrating, and it remains an important historical document, one which makes palpable both the joys and the struggles of the feminist movement.
