

Mathematical Studies On Human Disease Dynamics: Emerging Paradigms And Challenges AMS-IMS-SIAM Joint Summer Research Conference On Modeling The Dynamics Of Human Diseases Emerging Paradigms And Challenges, July 17-21, 2005, Snowbird, Utah

by AMS-IMS-SIAM Joint Summer Research Conference on Modeling the dynamics of human disease: emerging paradigms and challenges (; Abba B. Gumel ; Carlos Castillo-Chavez; Ronald E. Mickens ; Dominic P. Clemence ; American Mathematical Society; Institute of Mathematical Statistics; Society for Industrial and Applied Mathematics

Mathematical studies on human disease dynamics : [electronic resource] emerging paradigms and challenges : AMS-IMS-SIAM Joint Summer Research Conference on modeling the dynamics of human diseases : emerging paradigms and challenges, July 17-21, 2005, Snowbird, Utah / Author: Abba B. Gumel, Mathematical studies on human disease dynamics : emerging paradigms and challenges : AMS-IMS-SIAM Joint Summer Research Conference on modeling the. Joint Summer Research Conference on modeling the dynamics of human diseases: emerging paradigms and challenges, July 17-21, 2005, Snowbird, Utah. Mathematical studies on human disease . - Library Catalogue Mathematical studies on human disease dynamics : - Caltech Table of contents for Library of Congress control number 2006042817 Records 841 - 850 . Author: AMS-IMS-SIAM Joint Summer Research Conference and Clay 3, Title: Mathematical studies on human disease dynamics : emerging paradigms and Research Conference on modeling the dynamics of human diseases : emerging paradigms and challenges, July 17-21, 2005, Snowbird, Utah / Carlos Castillo-Chavez - School of Mathematical and Statistical . Mathematical Studies on Human Disease Dynamics: Emerging Paradigms and Challenges: Ams-IMS-Siam Joint Summer Research Conference on Modeling the Dynamics of Human Diseases: Emerging Paradigms and Challenges, July 17-21, 2005, Snowbird, Utah by Society for Industrial and Applied Mathematics . Mathematical studies on human disease dynamics : emerging . AMS-IMS-SIAM Joint Summer Research Conference on Modeling the dynamics of human disease: emerging paradigms and challenges (2005 : Snowbird, . Full Text - AIMS
